

Thermo Blow Engineers

<https://www.keepfitindia.com/>

We are engaged in manufacturing, supplying and exporting a commendable Sports & Fitness Equipment. The range offered by us is known for robust construction, minimal maintenance and high strength.

About Us

Since our commencement in the year **1987**, we, “**Thermo Blow Engineers**”, are an **ISO 9001:2008** certified organization, engrossed in manufacturing, supplying and exporting a comprehensive Sports & Fitness Equipment. Under this high performing range, we are providing our clients with Table Tennis, Game Courts and Boxing Ring. The sports products offered by us are widely acknowledged for their features like sturdy construction, minimal maintenance, longer service life, high performance, easy operation, dimensional accuracy and durability. Owing to the above mentioned features, our offered sports equipment is demanded for gyms, sports clubs, offices and various other places. Also, by offering customization facility, we have gained huge client-base.

Our organization is backed by a team of diligent professionals, which enables us to meet the organizational goals in prominent manner. The team hired by us is well-versed in its domain and enables us to cater to the exact demands of clients. Incorporating their extensive knowledge and expertise, our team meets the organizational targets efficiently. Apart from this, we have a sophisticated warehouse facility that enables us to store these products systematically. **Canada, U.A.E and U.K** are our prominent customers.

'**Mr. Chandan Grover**', our mentor and manager has helped us throughout our journey to become successful. His managerial skills, expertise and knowledge...
